

# SCRIP Local Order Form

**What it is:** Scrip is a way to give to GBRSS through your normal shopping methods. Certain local stores including Berkshire Co-op (4%), Big Y (4%), Guido's (10%) & Hawthorne Valley Farm Store (10%) sell gift cards to the school at a reduced (discounted) amount. You purchase the gift cards from the school for full face value and then use them at the store. Your unused balance remains on the card for your future use. The school keeps the difference between the face value of the gift cards and the discounted price offered by the store. Over \$6,000.00 was earned last year.

## How it works:

Order & pay today, Receive within 48 hours, Go shopping. Place your order with this form by returning it to the scrip box at school. Gift cards may also be purchased at school through Janie LaBrasca in the Development Office when available.

## Monthly Orders\*:

Place an order that gives you scrip on a monthly basis. Pre write post dated checks and receive your monthly order regularly. Your checks will not be deposited until the check date. \*Monthly standing orders can be scheduled for the 1<sup>st</sup> or the 15<sup>th</sup> of each month.
