

Dear Parents,

We welcome your interest in the Great Barrington Rudolf Steiner School!

Choosing a school for your child is an important decision for your family. It is exciting, even exhilarating, to discover a school that meets your educational hopes and expectations.

I invite you to review that enclosed materials in an attempt to get to know the Great Barrington Rudolf Steiner School. Next, I invite you to come for a visit. I am happy to meet with you for an informal tour, with or without your children.

The page entitled “Admissions and Enrollment Process” fully explains the entire admissions procedure starting with scheduling a tour on through the components of the application, the interview, class visit, issues we take into consideration in determining enrollment, how you are notified of your child’s enrollment and what we need from you in order to reserve a space in the class. I have also included a tuition schedule, an overview of our tuition assistance policy and a letter pertaining to our media policy.

As you learn more about our school, I hope you will experience some of the wonder, spirit, depth, and promise of Waldorf education. Our faculty, staff, and parents all share in making our school vital and engaging for every student in our care.

Please consider me your partner in exploring the unique learning environment offered at the Great Barrington Rudolf Steiner School. I look forward to meeting you.

Sincerely,

*Kathi Weinstein
